Seminar Packages Kloster Heidelberg 2026

Our seminar packages always include the conference room, which is equipped with standard technology (large screen + HDMI connection + Bose sound system). Each room is provided with a flipchart (20 sheets) and a pinboard/whiteboard. Upon request and subject to availability, additional materials can be provided for an extra charge (flipchart, pinboard, moderation case, etc.). Wi-Fi is available throughout the building for our guests.

The conference room will be adjusted according to the number of participants. If a guest requests a specific room but the minimum number of participants is not reached, an additional charge for the room will apply (see table*).

For groups of 30 or more participants (table setup), the chapel must be used; in this case, the package prices are higher.

The usage fee for the chapel includes the use of the microphone system and the lectern.

All packages can be customized according to guest requests upon inquiry.

Meeting rooms are available for day seminars and events without catering from 08:00 to 18:00.

A half-day seminar runs from 08:00 to 12:00, 14:00 to 18:00, or 18:00 to 22:00.
